Hi Nahal, sorry I did not get back to you sooner. There were no handouts, but all three presentations (DOGGR, Water Bd, and EPA) will be posted. If he does not have EPA 's March9th letter, that would be good to get to him. I'll be in the office tomorrow morning.  
Thanks, David

Hi David,

See the below. Did we provide anything to them today?

Nahal,

Thank you. I was interested in finding out what kind of information the EPA is providing to the oil and gas industry at today's meeting. Also, I would be interested in knowing if there is information available on illegal wastewater injections and the best way to explain an aquifer exemption in layman's terms.

Thank you,

Andrew
